The Housing Choice voucher program has requested to change in its policy relating to issuance of vouchers. The change will allow families to have a better chance to find suitable housing in the current market.

Our current policy states:

The PHA will assign one bedroom for each two persons within the household, except in the following circumstances:

Persons of the opposite sex (other than spouses, and children under age 5) will be allocated separate bedrooms.

Live-in aides will be allocated a separate bedroom.

Single person families will be allocated one bedroom.

Children of separate genders regardless of age (i.e., from birth) will be allocated separate bedrooms.

Children of the same gender with an age difference exceeding 5 years will be allocated separate bedrooms.

Unrelated adults of the same gender will be allocated separate bedrooms.

Persons of different generation will be allocated separate bedrooms.

Foster children will be included in determining unit size only if they will be in the unit for more than 12 months.
