Owners of Single-Family Units – the KHRA must locate three (3) units with comparable amenities (square footage, bedroom size, etc.) to the assisted unit in the market area of the assisted unit to determine whether the requested rent is reasonable. If the KHRA is unable to locate three such comparable, then the proposed new rent must be denied. Please assist the KHRA by completing the table below.

Owners of Multi-family Units – Owners of multi-family complexes that consist of 4 or more units **must complete the table below** for the three most recently leased, comparable **unassisted** units on the premises. If the owner fails to complete the table, then the proposed new rent must be denied.
